Medical Emergencies

In the event of a medical emergency, follow these procedures:
• If the victim is in a safe location, do not move the victim unless absolutely necessary.
• Notify the 24-hour Headquarters Emergency Center, 358-1616.
• Identify the call as a Medical Emergency
• Give the following information, as best you can:
    1. Victim's condition *(i.e. loss of consciousness, severe bleeding, broken bones, etc.)*
    2. Location:
        a. Floor
        b. Room Number
        c. Other
    3. Victim's
        a. Name
        b. Age
        c. Sex
    4. Your Name
    5. Telephone Number from which you are calling
• Administer CPR and/or first aid, if trained to do so. Stay with victim until help arrives.
• Assign someone to wait at the West Elevators *(Credit Union side of the building)*
 on the floor where the medical emergency exists.

NOTE: THE EMERGENCY CENTER WILL NOTIFY 911 AND THE HEALTH UNIT.

BLOOD IS LIFE ITSELF.

You can make a difference!

GIVE BLOOD

Watch *Heads Up*, the *NASA Vision*, and HIT 25 for the next visit of the Bloodmobile.
